Research Experience

BRIGHAM YOUNG UNIVERSITY
Research Assistant

Provo, Utah
Sep 2025 – Current

- Assists Dr. Weidmann and a group of other RA's in a psychological lab setting.
- Contributes to research about commendations and grievances reported by romantic partners, and their associations with relevant psychological models.
- Codes qualitative data according to the current research.

Publications and Posters

- **Bezzant, W.**, Todd, B., Weidmann, R (2026, March). *You Never Change! Attachment Style and Attributions in Partner Perceptions*. Poster presented at the Rocky Mountain Psychological Association Annual Convention, Boise, ID.
- Weidmann, R., Dugan, K., Traut, A., Bühler, J. L., Wünsche, J., Burriss, R. P., Grob, A., **Bezzant, W.**, et al. (2026, April). *Romantic attachment and the content, level, and variability of partner perceptions*. Manuscript in preparation.

Clinical Experience

ACHIEVING ABILITIES
Behavioral Technician

Provo, Utah
Apr 2026 – Current

- Worked with children diagnosed with autism to improve problem behaviors, learn social skills, and improve day to day function
- Followed directives of client behavior plans with a high attention to detail
- Made progress notes as clients progressed towards various goals

CHRYSLIS
Direct Support Professional

Cedar City, Utah
Sep 2022 – Dec 2022

- Assisted individuals with a variety of mental illnesses in their daily life. Some disorders included schizophrenia, bipolar disorder, ADHD, and intellectual disabilities.
- Documented and administered needed medication morning and night according to a schedule.
- Performed room checks and tracked hygiene routines according to the needs of clients.

Leadership and Activities

RELIGIOUS SERVICE OUTREACH
Missionary

Navajo Nation, USA; Milan, Italy
September 2020 – August 2022

- Served as a missionary for The Church of Jesus Christ of Latter Day Saints for one year on the Navajo reservation, one year abroad in northern Italy.
- Performed service for the individuals on the Navajo reservation during the Covid-19 pandemic, often including chopping firewood or having conversations with those who were lonely.
- Spent a great deal of time becoming conversationally proficient in Italian, evangelized, and sometimes took part in service activities.

- Led 6-8 missionaries in a leadership role, helping them to set goals and report on their progress.
